

## WHY MANY WOMEN ARE IN THE WRONG JOBS (AND WHAT THEY CAN DO ABOUT IT)

Women often put other people's needs before their own and then wonder why they are not happier. Too often they stay in jobs that are not the best fit for them because leaving seems like it would take too much effort. *Sarah E. Brown, Ph.D.*, wants to empower women to live their best lives possible, at work and at home, by discovering what it is they really want out of life and who they really are. *Sarah* teaches women how to utilize personality assessments to discover what will lead them to fulfilling jobs. *Sarah* walks the walk, having left behind her high-powered job as a managing director with Accenture, one of the largest consulting and outsourcing companies in the world. *Her mission now is the economic and social empowerment of women.*

*Sarah* has helped thousands of individuals to complete big projects and achieve life goals by drawing on their unique gifts and following proven success principles.
